

Vacant Position

Position Title:	Timber Production Lead
Location:	Groote Eylandt
Employment type:	Full time – 38 hours per week
Applications close:	21 April 2021

About the ALC

The Anindilyakwa Land Council (ALC) is a ‘future-forward’ Land Council, directed by the 14 clans of the Groote archipelago region, is enabling the Anindilyakwa people to take full advantage of the opportunities and technology available in the 21st century, while simultaneously preserving land, language and culture. The vision of the ALC is to:

**Protect, maintain
and promote
Anindilyakwa
culture**

**Invest in the
present to build a
self-sufficient
future**

**Create
pathways for
youth to stand in
both worlds**

ALC is an independent statutory authority of the Commonwealth, subject to the *Public Governance, Performance and Accountability Act 2013*, described therein as a Corporate Commonwealth Entity and is currently a portfolio agency of Prime Minister and Cabinet. For more information on the Anindilyakwa Land Council, please visit our website: <https://www.anindilyakwa.com.au/>

About the role

The ALC is seeking a Timber Production Lead to join the Forestry, Milling & Men's Shed program within our Preserving Culture department. This role reports to the Forestry, Milling & Men's Shed Coordinator and is responsible for leading the team from the front, assisting with training and supporting the program staff to achieve the programs established goals and desired outcomes for upskilling the workforce, and continuing to develop the programs production and productivity to deliver on program objectives and performance requirements.

A main objective for this role is to upskill the program employees to be able to meet industry standards to successfully obtain relevant qualifications or demonstrated proficiencies and develop transferrable skills that can be taken in to other workplace environments within the timber or building industries.

This role will work closely with the Traditional Owner employees and local communities to increase their engagement with the program to develop the skills and knowledge essential to gain the required qualifications and proficiencies.

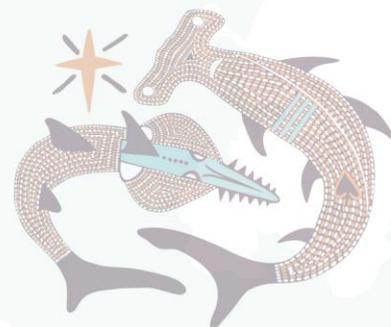

Selection Criteria

Essential

1. Trade qualifications in building, cabinetry or similar
2. Demonstrated recent experience, skills and understanding of wood working and wood working equipment, including a four-sided moulder.
3. Demonstrated minimum 2 years' experience supervising, training or mentoring Traditional Owners.
4. Ability to proactively manage the WHS requirements of workspaces by adhering to relevant codes of practice and organisational policies and procedures.
5. A proven ability to communicate, build and maintain strong and effective relationships within a remote indigenous community.
6. Demonstrated high level of self-motivation, with an ability to motivate and lead a team.
7. A valid and current HR drivers' licence.
8. Excellent organisation and time management skills.

Desirable

1. Chainsaw and working at risk card.
2. Ochre Card and First Aid Certificate.
3. Experience with computer programs including MS Word and Excel.
4. Previous experience living and working within a remote indigenous community

Other Information

Accommodation in Angurugu and a relocation assistance package will be offered to the successful applicant. For more information regarding the role and remuneration package, please email humanresources@alcnt.com.au.

Pre-employment screening, including an AFP criminal record check, may be undertaken on the person who is being recommended for appointment.

How to apply

To apply for this position, please submit your resume and cover letter to humanresources@alcnt.com.au.
